MR. MARVIN POPPEMA

As a father, he shows his love for his family.

Mr. Poppema continues to study in the field of science.

DEDICATION

During the years of our lives when we are studying and learning, we need the patient and understanding guidance of someone who is sincerely interested in us.

The wisdom and leadership of this person is respected when tempered with tact, friendliness and encouragement. As a sponsor, he has shown interest and willingness in the class projects. His interest in each of his students, in and outside of the classroom, creates an inspiration within us to fulfill our ambitions and to do our part in Christian service.

We, the Senior Class of Holland Christian High School, dedicate the Footprints of 1965 to the teacher and friend who fits the above description, Mr. Marvin Poppema.

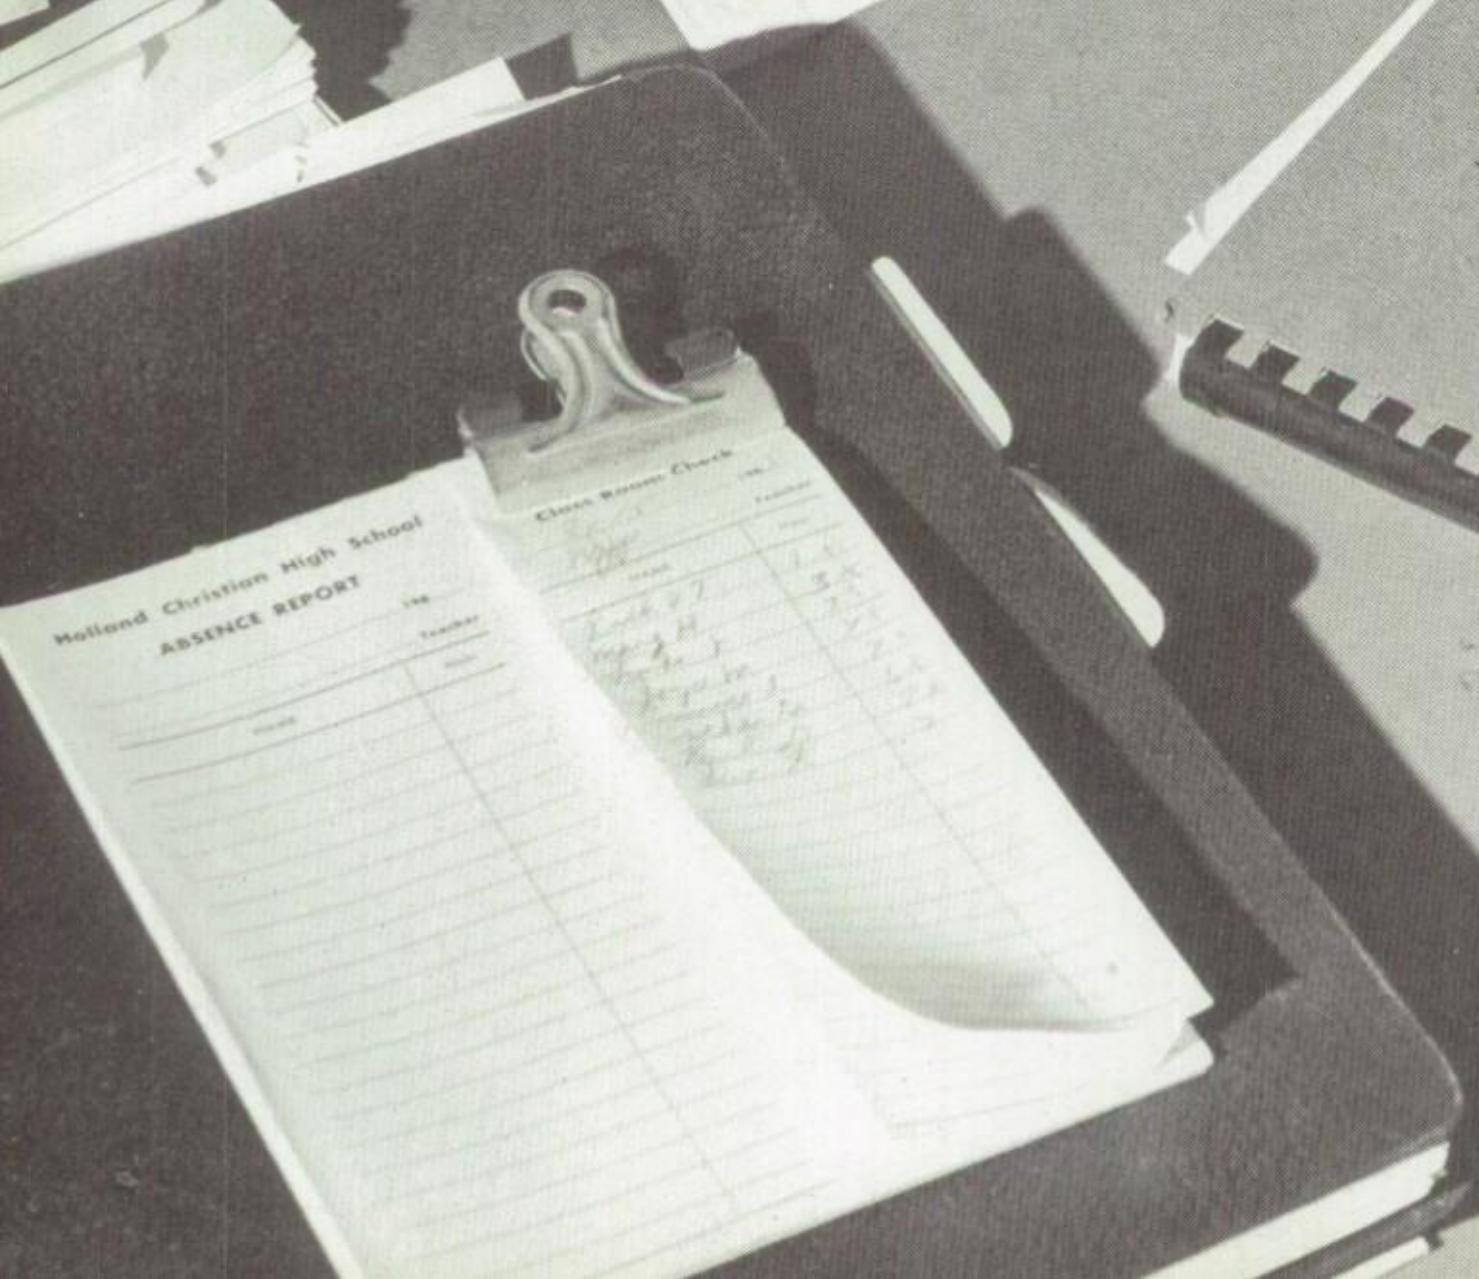

As a choice of hobby he enjoys good music.

To the Class of 1965:

The Board of Trustees of the Holland Christian Schools offers you its hearty congratulations and sincere best wishes for a happy and blessed future.

We trust that the foundation stones that have been laid at Holland Christian will support beautiful structures, representing lives dedicated to the Lord our God.

We are grateful for your stay at our school, and as you pursue higher education or other vocations in life we would recommend to you the words of Proverbs 3:5, 6 "Trust in the Lord with all thine heart; and lean not unto thine own understanding. In all thy ways acknowledge Him, and He will direct thy paths."

We pray that as you now enter the ranks of our alumni, you will support and guard this heritage of Christian education for future generations.

May God bless and keep each one of you.

Sincerely yours,
Board of Trustees
John Veltkamp, President

Dear Class of 1965,

From our footprints it can be seen where we have been. Thank you for this fine record of your associations and activities. You have been with pleasant companions, under dedicated teachers, in a school that seeks to teach the full revelation of God. The older and more yellowed these pages become, the more you will treasure the memories they record.

Footprints also indicate the direction we are going. This point is significant to us now. Your education at Holland Christian has had directional thrust. Besides the basic information and skills you have acquired, you have been subjected to "attitude correction" by the counsel of many teachers. Your feet point toward the goal of service, for God and mankind. The dynamic of the Christian walk is the "Go Ye" of our Triumphant Lord. God bless your steps, so that you may "walk and not faint."

Yours sincerely,
Mark Vander Ark

FAREWELL SENIORS!!

Somewhere I have read something to the effect that the Alumni members of a school can be divided into two groups: those who take lustre from their school, and those who shed a measure of lustre upon their school.

You readily recognize those of the first group. These are the "Alumni" who are most happy to claim their school as their own, who may even strut a bit, who want to be known as graduates of the school especially at those times when the school is being honored or when the school has won an important sporting athletic event. At other times they are less mindful of "their" school. They strive and are content to bask in the reflected glory of their school.

How much more noble are those of the second group. Their deeds and accomplishments, their character and dedicated lives and witness are such that the school is honored by and thru them, and in turn the school is happy and proud to claim them as its own. For of schools as well as of men it can be said that they are to be known by their fruits.

Graduates of preceding classes and former faculty members all have made some contribution toward the establishing of the good name and reputation of Holland Christian. Now you join the Alumni. But which group? May each of you in your own way, small or great, thru God's grace and to His honor, be enabled to shed some lustre upon your and our beloved Holland Christian High.

Welcome to the growing ranks of the Alumni.

CONCE

With "Mr. Van" directing vigorously, the concert band had another fine year. Many hours of preparation went into each performance. A new band room, "The Butler Building," was set up for its 130 members, providing more adequate "skooch" room for each player. The band's performances included a Winter Concert, a Spring Concert, a Christmas Concert, District Festival and State Festival. Flag Day, Tulip Time, and Memorial Day the group could be seen parading the streets of Holland.

Senior Play Dress Rehearsal

Southern

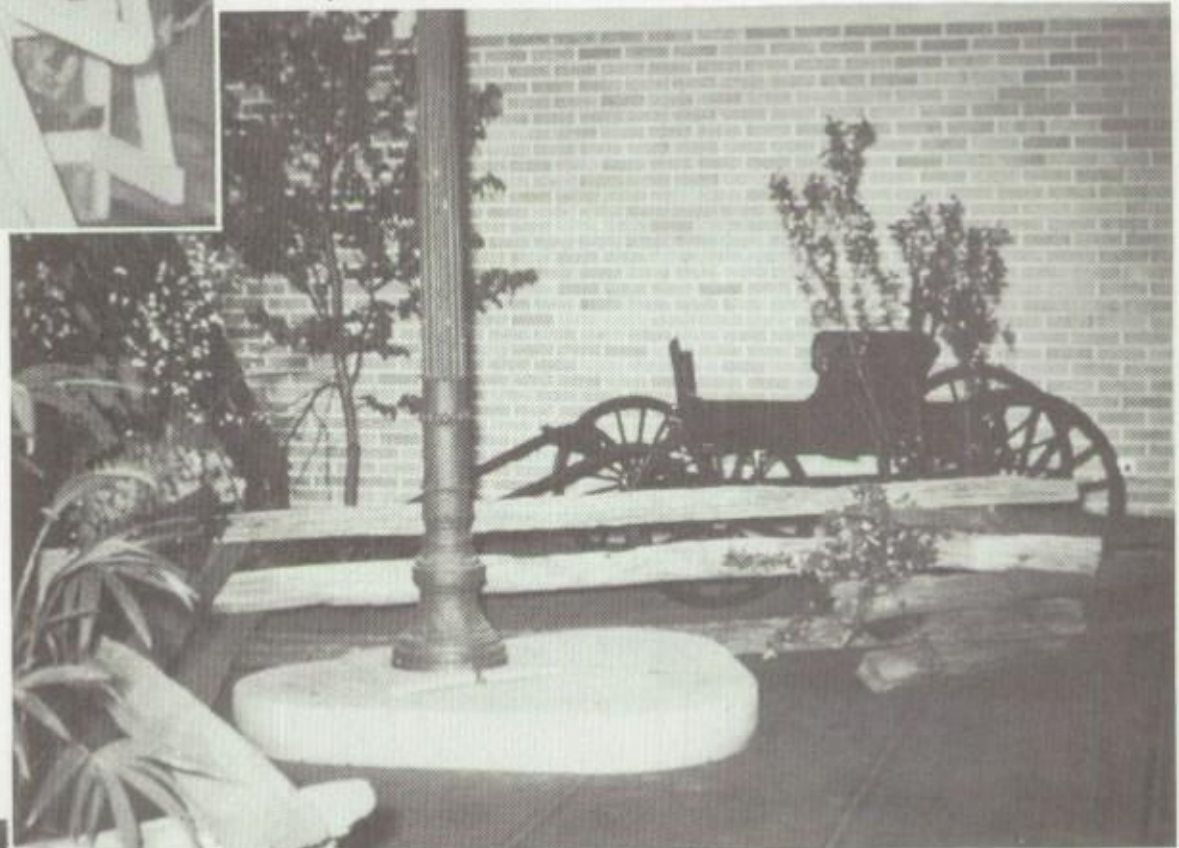

The annual Jr.-Sr. Banquet was held on the evening of May the 8th in the Civic Center. The theme of the banquet was "Southern Plantations." Juniors and Seniors, after being served punch, entered under an arbor of flowers into the main auditorium. After walking over a bridge which had a fountain in the center, they took a seat at one of the many tables.

The auditorium was decorated with two murals, a carriage, lamp posts, a split rail fence, trees and shrubbery, and slave cabins. All this portrayed a southern garden connected to the mansion which was erected on the stage.

The tables were decorated with small, straw hats which served as nut cups for the boys and southern dolls for the girls. Wagons filled with cotton balls and cotton plants were used as center pieces.

Plantation

The dinner consisted of ham, potatoes and gravy, beans and corn, and an apple dessert. Serving this southern meal were 32 sophomores with dark hair, who were darkened to portray the negro slave. The girls wore black skirts, white blouses, and red and white checked aprons. The boys wore white servers' jackets, black pants and black bow ties.

After a brief intermission, the program began. Acting as Master and Mistress of Ceremonies were Eunice Keuning and Bill Vanden Bosch. A play about Tom Sawyer called "Mississippi Melodies" was given.

As all juniors and Seniors who were present can tell, the program got no further. Because of severe weather conditions, everyone was asked to leave. It was rather ironic that these words appeared on the last page of the program: "Nothing remains but a glorious memory."

DEBATE

This year the debate club, coached by Mr. Greydanus, sought the solution to the topic: Resolved: That Nuclear Weapons should be Controlled by an International Organization. This topic provided many lively discussions during club meetings. Some members said nuclear weapons should be controlled but others said

they shouldn't. The members never came to one solution. In interscholastic competition the varsity debate team met with scattered success, and the end of the season found them with an over-all winning record of 15-8 and a district trophy.

STUDENT COUNCIL

This year the Student Council was very actively engaged in many projects. In October they obtained "Excused Absences" for boys who wished to go hunting. It sponsored two Hootenannys during the year. School pens and pom poms were sold during basketball season. The officers and a representative were hosts to the annual Student Council Convention on December 1. A homecoming dinner was given for the class of 1940 and an aftergame social for Alumni and Seniors was given after the Homecoming game. At noon hour, candy was sold and on Thursdays, cookies and doughnuts were sold during the cookie break. In the spring, they helped to raise money for the new school.

"IN PACE WITH PROGRESS"

"Do you know how much a million dollars is? Let's count it out, 1 . . . 2 . . . 3 . . . At this rate, eight hours a day (without lunch), five days a week, it would take you seven weeks to reach 1,000,000." At a giant rally in the Civic Center, Mr. J. Keuning, chairman of the drive committee for our new high school, challenged the three thousand students as to their obligation in the fund campaign, and solicited their support. Our student council president, Ben Becksvoort, reported that the students had set \$10,000 as their goal in the drive. It took only one day for six hundred of our students to pledge over \$16,500, bringing the drive thermometer over the \$600,000 mark.

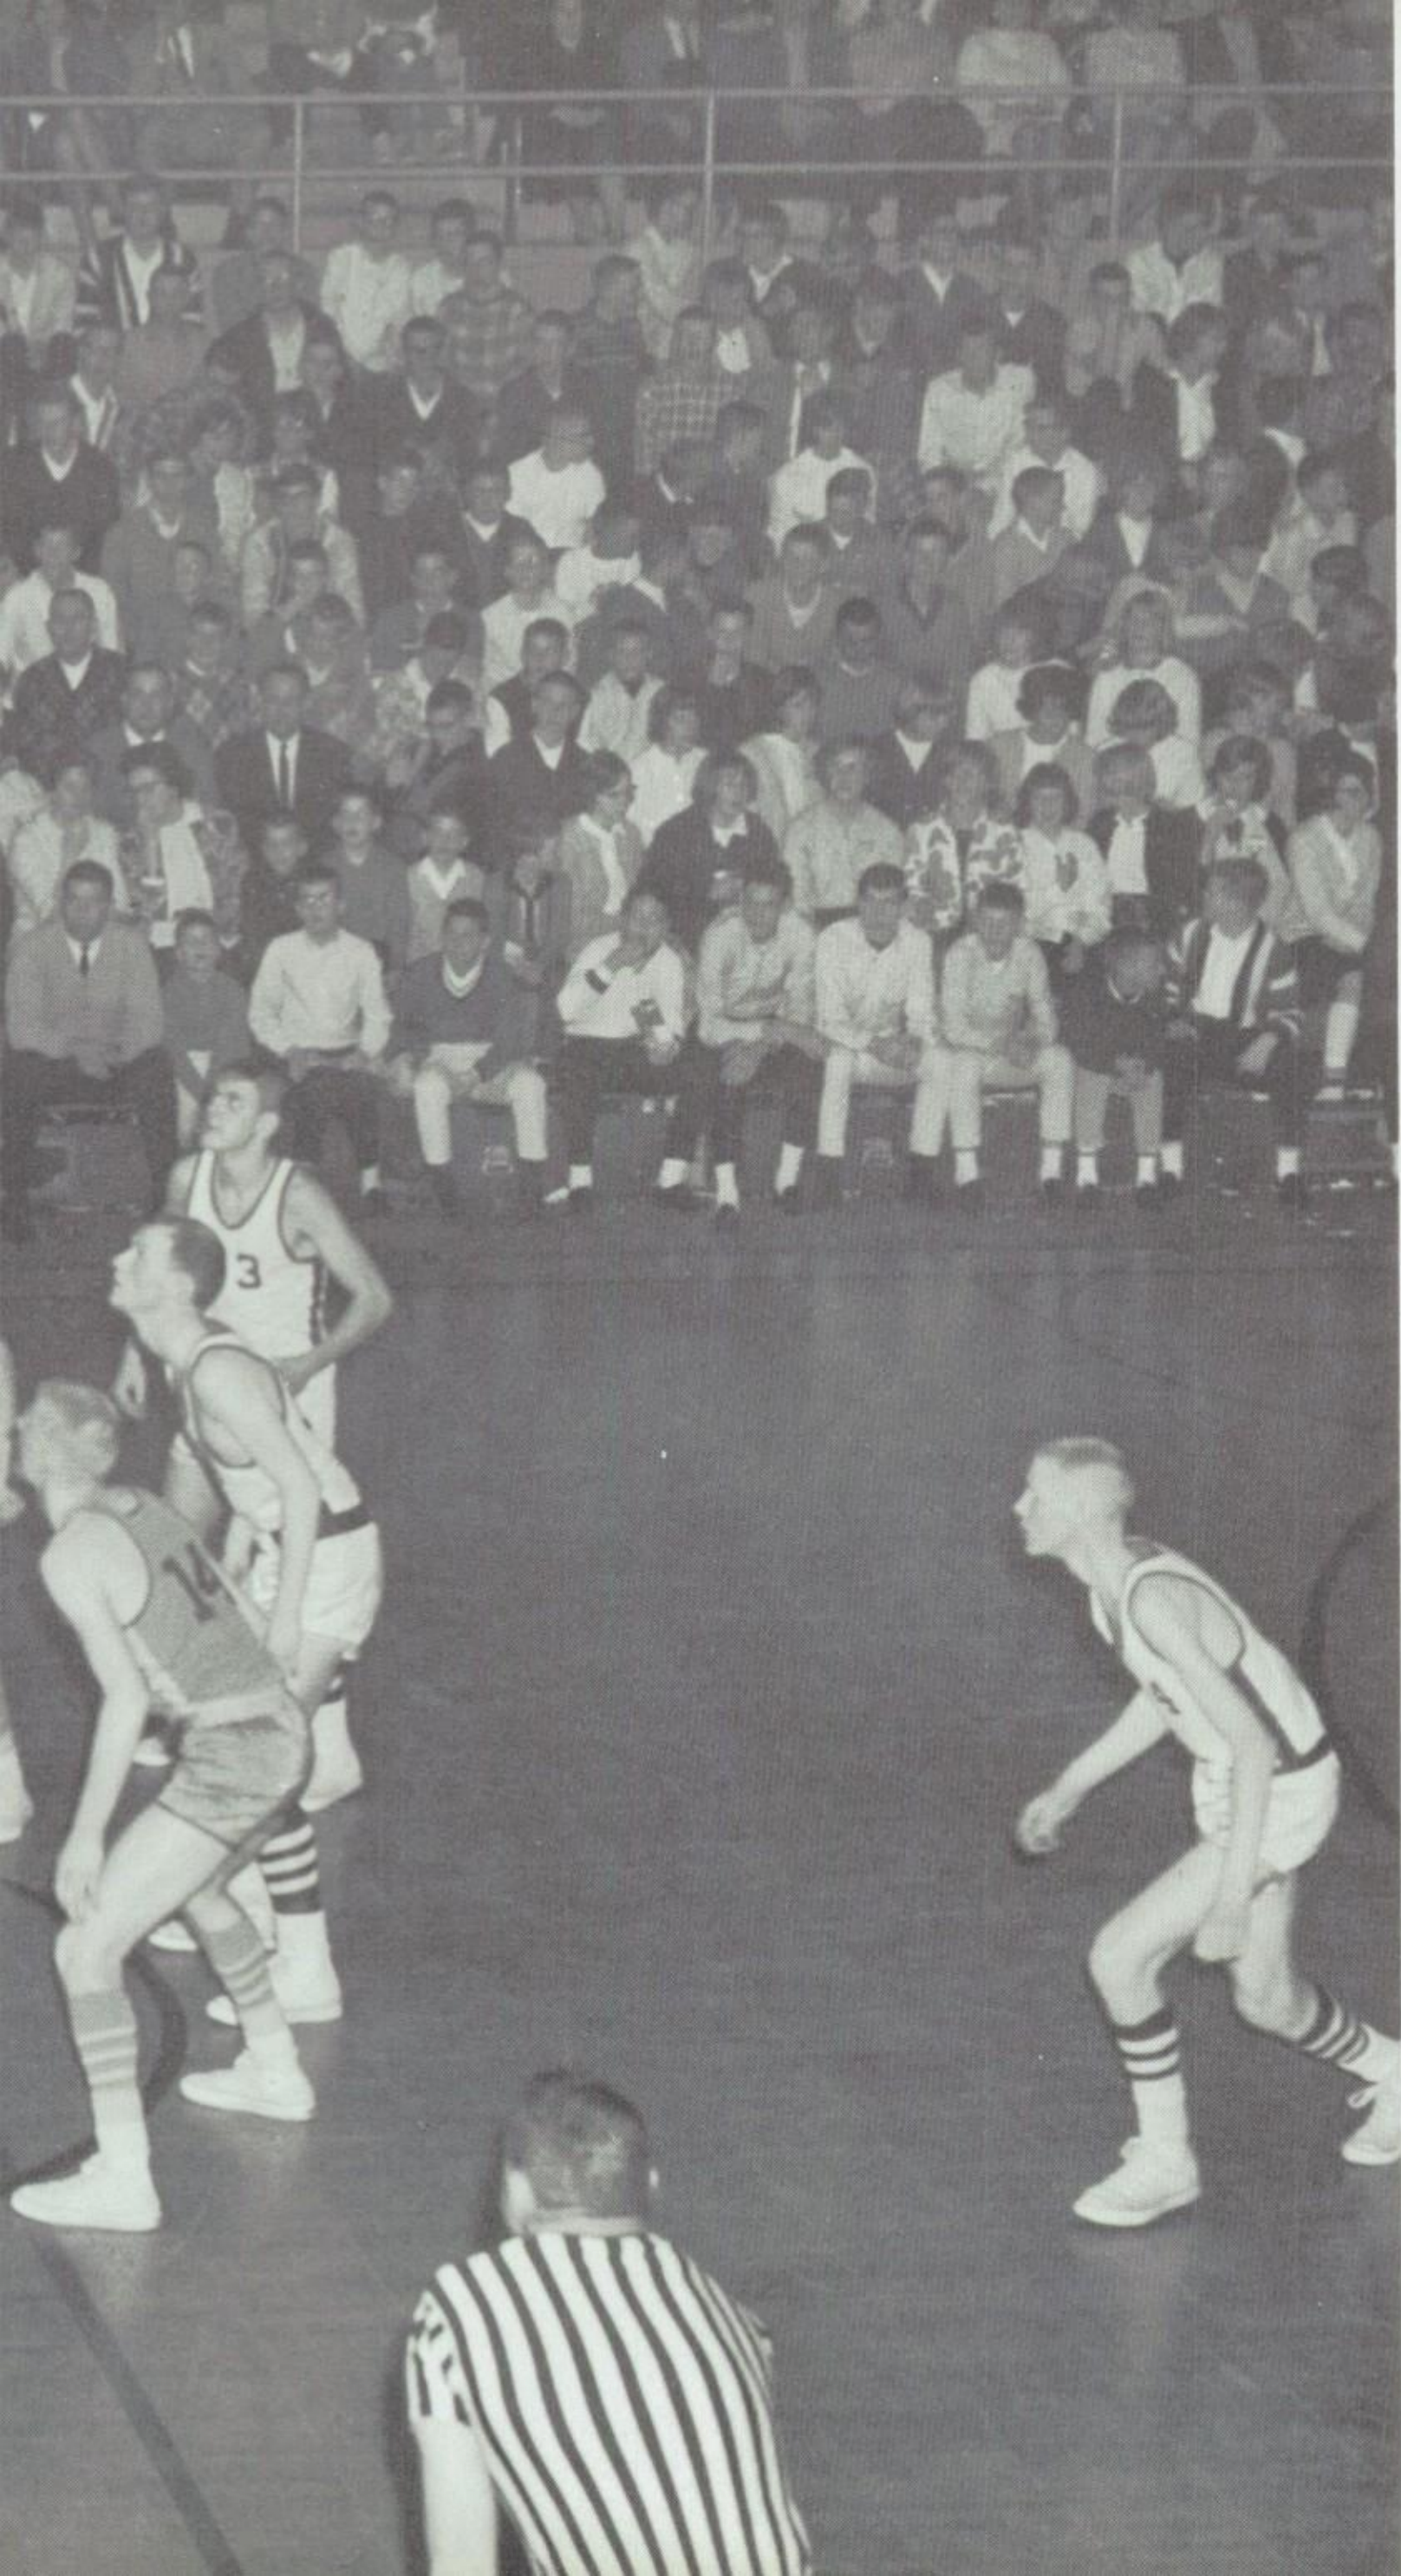

In the fall of 1962, the Citizens Committee proposed to the Board a plan for raising a fund for a new gym-auditorium. After many months of deliberation, the Board felt the erection of a new high school facility more feasible. After the Board proposed a

choice of four sites to purchase for the new school, forty acres on the corner of Ottawa and 40th Ave. were chosen by the Society in the fall of 1964. A few weeks later the Board proposed a decision to build the new high school, if possible by the fall of 1966, at the approximate cost of one million dollars. This proposal was overwhelmingly approved and a drive immediately set up.

The goal of this drive, a million dollars, seems at this writing a realization. The evident co-operation of parents, students, and community are contributing to keep Holland Christian High School 'in pace with progress'.

It was a great year for the Holland Christian cross-country team! In their eight victories, they defeated arch rivals West Ottawa and Holland High. Competing against many fine Western Michigan schools, they took first place trophies at the Fennville Invitational and the Calvin Invitational, then went on to win

the Class B regionals and finish third in the State finals under the direction of Coach Phil Persenaire.

Seven runners, all seniors, led the way this year to the State finals: Ross Zoerhof, Hilbert Sybesma, Larry Klaasen, Lee Koning, Larry Van Wieren, Ted Koeman, and Cal Davies.

The varsity basketball team, coached by Art Tuls, faced a tough schedule this year, but emerged with a fine 14-7 record. After four straight losses at the beginning of the year, the Maroons improved to a school record of eighty-eight points against Grand Rapids Godwin. Highlights of the year were fine victories over Muskegon Christian, Godwin, and the

district championship victory over Zeeland. The Maroons encountered highly ranked Lowell in the regionals and lost in a close game. Holland Christian was led this year by aggressive guards and a big front line. Hard work and spirit were keynotes of the success of the '64-'65 season.

RESERVE BASKETBALL

The reserve team completed a successful season with an 11-6 record. After a slow start with four wins in their first seven games, the little Maroons won six straight! Mr. Ribbens drilled his team carefully on teamwork and a tight defense, and his work paid off

with many boys showing potential for future years. All the team members saw much action which resulted in balanced scoring throughout the year. The team is looking forward to next year with many freshmen returning.

FRESHMAN BASKETBALL

The freshman basketball team, coached by Dan Vander Ark, compiled three wins against five defeats this year. The victories came over Allegan twice and Fennville. The purpose of this team is to give all young

players with potential a chance to prepare for future competition and an opportunity to learn the fundamentals of high school basketball.
